FILL UP THAT EMPTY SPACE

Again it is time to fill up that empty space that brings no return.

FOLIAGE PLANTS bring the greatest return per square foot.

We have herewith compiled a list of material of the most popular and fast moving varieties for immediate and future delivery.

We have made every effort to bring this stock to you at the lowest possible price for the best quality. We feel sure you will be pleased with the material you receive.

Look this list over carefully, and let us have your order **NOW** for whatever stock you need immediately; also, your anticipated requirements. (See note on page 6.

PRICES. All prices are F.O.B. source of production, and on imported material F.O.B. port of entry.

TERMS: 2/10 net 30, to those of approved credit. CASH WITH ORDER where no credit rating is available.

IMPORTANT: All precautions are taken with regard to following the rules of transit regulations to prevent losses. THEREFORE, IN THE EVENT OF LOSSES, DUE TO TRANSIT CONDITIONS, IT IS IMPERATIVE THAT THE CONSIGNEE FILE A CLAIM IMMEDIATELY WITH THE CARRIER.

Quoted prices are subject to change without notice. In instances where no price is quoted, the market price will prevail at the time shipment is made.

In the case of ROOTED CUTTINGS, UNROOTED CUTTINGS and SEEDLINGS, the minimum order is 100 of a variety or size.

250 of a variety or size charged at the 1000 rate, except where noted.

SPECIAL NOTE

We encourage the placing of orders for your anticipated yearly requirements to be shipped on a scheduled basis. This gives you an opportunity to increase your business by preventing your stock from being depleted of popular selling material. It is also an assurance of getting a supply of items regularly which are scarce and hard to get.

In our estimation, it is an essential and advantageous step in supplying the constant demand for—

NOVELTY FOLIAGE PLANTS

and other plant material of this nature; since these are being featured by all interior decorators in the building and decorating pattern of every home or business structure.

We welcome the opportunity of discussing this with you.
